WELCOME TO **NORBINS HOUSE**

Service Summary

We are a peaceful, homely and relaxed Victorian house in the historic town of Glastonbury, surrounded by the Somerset countryside with links to the major towns of Bristol, Bath and Taunton.

We are a part of the Glastonbury community in close proximity to the High Street.

What We Are Particularly Proud of

...providing a tailored service.

...growing some of our own fruit and vegetables.

...having positive feedback from families with whom we share a valued relationship with.

...how we think about the communication that each person needs.

...a characterful and cheerful house and garden, which we always love returning to after an activity.

...how we use ICT to fulfil diversity needs and keep in contact with family.

...how we get on with one another and how everyone keeps each other informed.
