

WELCOME TO SANDWELL GET OUT THERE COMMUNITY SUPPORT

Service Summary

I am a teenager with Global Development Delay and have allergies.

I love Swimming, Singing, Laughing, Interacting with peers Books, Trains, Buses, Supermarkets and Walks in park

What We Are Particularly Proud of

Great training provided so you are able to deliver quality care and support to young people.

The Support Workers work well together supporting each other and sharing ideas, providing a good support network for families.

They are committed to their work and have been with the organisation for many years.

Working with young people gives the opportunity to be person centred in planning activities and developing life skills.

We offer more opportunities to the CYP we support outside of clubs too!

What We Need from You

Can you spare 4 hours every Sunday 12.00pm-5.00pm?
