

## WELCOME TO LOUGHBOROUGH GET OUT THERE SATURDAY & HOLIDAY CLUB!

### Service Summary

The 'Get Out There' Clubs provide support for children and young people who still live at home with their families.

Working to promote communication skills, life skills, mobility and access to the community

### What We Are Particularly Proud of

Great training provided so you are able to deliver quality care and support to young people.

The Support Workers work well together supporting each other and sharing ideas, providing a good support network for families.

They are committed to their work and have been with the organisation for many years.

Working with young people gives the opportunity to be person centred in planning activities and developing life skills.

We offer more opportunities to the CYP we support outside of clubs too!
